Selected Public Survey Results (2008)

The Ottawa Police Service (OPS) and the Ottawa Police Services Board regularly seeks input on residents' perception of safety and security in their communities, concerns about crime, priorities for the police, and residents' satisfaction with police services. The information collected from the Public Survey assists the OPS to identify priorities, areas for improvement and helps the development of our upcoming 2010-2012 Business Plan.

Introduced in 2008, the survey allows for comparison at the citywide and ward level. For more information on the 2008 Public Survey, including citywide results, please refer to the OPS Highlights Report located on ottawapolice.ca. Please note, the following information represents the opinions and perceptions of respondents by ward and is not based on official crime figures or reports.
