Selected Public Survey Results (2015)

The Ottawa Police Service (OPS) and the Ottawa Police Services Board regularly seeks input on residents' perception of safety and security in their communities, concerns about crime, priorities for the police, and residents' satisfaction with police services. The information collected from the Public Survey assists the OPS to identify priorities, areas for improvement and helps the development of the Business Plan, published every three years.

For more information on the 2015 Public Survey, including citywide results, please refer to the OPS Highlights Report located on ottawapolice.ca.
