

2009 - 2010 Crime Trends for Ward 9 - Knoxdale-Merivale

This report examines all founded Criminal Code of Canada offences that were reported to the Ottawa Police over the last 3-years. Offences have been categorized according to the Uniform Crime Reporting (UCR) Survey version 2.2.

The crime statistics published in this report are accurate on the day that they were produced. Due to ongoing police investigations and internal data quality control efforts, this information is subject to change, including addition, deletion and reclassification of any and all data. Rates and percentages have been rounded.

Priority	Criteria
1	Actual or potential danger for bodily injury or death; an officer requires immediate assistance; crimes in progress or imminent.
2	Crimes not in progress where witnesses are on scene; crimes not in progress where evidence can be collected at the scene; all Break & Enters not in progress; Motor Vehicle Collisions where no injuries and meeting mobile dispatch criteria; all calls of a non-emergency nature where police presence at the scene is necessitated.
3	There is no physical evidence to gather; there is no injury or potential for injury; the suspect is not known and there is little likelihood of apprehension; there is no requirement to protect the scene; there is no witness waiting for police response at the scene; the complainant shows no signs of extraordinary emotion or trauma; the complainant is comfortable with reporting the incident over the phone.
4	Calls for property pickup will be entered as a Priority 4 unless any of the following criteria apply: the property to pickup is a firearm, ammunition or drugs; there is information that the property may be linked or involved in an on-going investigation; the property is of a suspicious nature or may be of evidentiary value; dependant upon the recovered property, the complainant is concerned with their personal safety and is not satisfied with a delayed response.

Selected Public Survey Results (2008)

The Ottawa Police Service (OPS) and the Ottawa Police Services Board regularly seeks input on residents' perception of safety and security in their communities, concerns about crime, priorities for the police, and residents' satisfaction with police services. The information collected from the Public Survey assists the OPS to identify priorities, areas for improvement and helps the development of our upcoming 2010-2012 Business Plan.

Introduced in 2008, the survey allows for comparison at the citywide and ward level. For more information on the 2008 Public Survey, including citywide results, please refer to the OPS Highlights Report located on ottawapolice.ca. Please note, the following information represents the opinions and perceptions of respondents by ward and is not based on official crime figures or reports.
