Early Morning Service Service Matinal

On weekdays, many routes start at 4:00 AM. Look for the blue early morning swan on your bus stop. The blue swan means that bus service starts between 4 and 4:30 AM weekdays, and between 5 and 5:30 AM on Saturdays.

Also, OC Transpo has nine early morning "only" routes, which serve areas not covered by the routes listed above.

Route 824 serves Beacon Hill, Carson Grove and Cummings Avenue.
 Route 825 serves Pineview, Blackburn Hamlet and Chapel Hill.
 Route 827 serves Queenswood Heights and Orleans Village.
 Route 829 serves Overbrook and Vanier.
 Route 835 serves Fallowfield and Queenswood Heights.
 Route 844 serves Greenboro and South Keys.
 Route 846 serves Riverside Park and Hunt Club.
 Route 873 serves Woodridge Avenue, Barham, Greenbank and Bayshore.
 Route 891 travels from Britannia to St. Laurent via Pincrest, City View, Carleton Heights and the Riverside corridor.

All other black-colored routes begin service at the usual time: Weekdays between 6 and 6:30 AM, Saturdays between 6:30 and 7 AM, Sundays between 7 and 7:30 AM.

For more information about OC Transpo's early morning service, call our Information Centre at 741-4300.

The Transitway Le Transitway

The Transitway is an exclusive bus corridor providing rapid transit service across the Ottawa-Carleton region. Major Transitway service is provided by routes 95, 96 and 97.

The Transitway, au moyen de couleurs d'autobus réservés, fournit un service de transport urbain rapide à travers la région d'Ottawa-Carleton. Le service majeur du Transitway est fourni par les circuits 95, 96 et 97.

Bus routes serving each Transitway Station are shown in purple boxes on the map.

Les circuits d'autobus desservant chaque station du Transitway sont dans des boîtes de couleur violette sur les cartes.
